"Road Trip Bible Timeline"

- Each of the 1,000 year "circled number" sections on the timeline tell a story about Jesus (Ps 40:7; Jn 5:39; Rev 19:10). The Holy Spirit inspired all 40 bible authors (2 Pet 1:20-21; Jn 14:26). All scripture (stories) are for our learning. Rom 15:4

 - MMLJ** (the red Christian cross), the story is about Jesus being Here to die as our Savior. John 3:17 (1st coming)

- Everywhere on the timeline, OT & NT, Salvation is by Grace (a gift), thru Faith (belief), in Christ (the Messiah). Eph 2:8-9
 - OT sins were covered until the time that Jesus the Redeemer was crucified, buried, and resurrected. John 3:17
 - Without the empty tomb, no one would be saved (redeemed); and all Creation would be lost! Rom 8:22
- GOD will do nothing before He first tells someone on the timeline (Amos 3:7; Hos 12:10). This is known as prophesy:
 - In the Western mind (the classic Greek mind), prophesy is prediction ... then fulfillment
 - In the Hebrew mind, prophesy is pattern (i.e., 7 days in Gen 1; Ex 25-28: tabernacle; Jesus marries a Gentile bride)
 - In the Christian bible, there are 8,362 prophetic verses, presenting 1,817 prophesies, about 737 different matters
 - God's word is eternal Matt 24:35; God's word is above His name Ps 138:2; Jesus will fulfill every word Matt 5:18
- Satan's behavior pattern, everywhere on the timeline, is **D3**: Doubt - Denial - Deception (Gen 3:1-5)
God's behavior pattern, everywhere on the timeline, is **R3**: Rules - Redemption - Restoration (Gen 3:15)
- The NATION of ISRAEL** - it's Origin: the OT - it's Mission: the Parents of Christ - it's Destiny: the New Earth (Matt 2:6)
The CHURCH - it's Origin: the NT - it's Mission: the Bride of Christ - it's Destiny: the New Jerusalem (Rev 21:9)
